Career Objective

- Motivated Electronics and Communication Engineering student with strong foundations in programming and problem solving, seeking an entry-level role in the IT industry. Eager to apply technical skills in software development and contribute to building efficient, scalable solutions.

Technical Skills

Programming: Java, C

Core Subjects: Data Structures & Algorithms, Operating Systems, DBMS, Computer Networks, MYSQL

Backend Development: Spring Boot

Tools: Git, GitHub, VS Code, IntelliJ IDEA,

Soft Skills: Problem Solving, Analytical Thinking, Team Collaboration

Projects

Resume Analyzer | *Java, Spring Boot, MySQL, Hibernate, JPA, REST API* **2026**

- Developed a full-stack Resume Analyzer using HTML, CSS, JavaScript, and Spring Boot.
- Integrated Google Gemini AI to analyze resumes, generate ATS scores, and provide personalized improvement suggestions.
- Implemented job role recommendations based on users' skills, experience, and resume content.
- Integrated the Adzuna Job Search API to display real-time job opportunities matching the candidate's profile.
- Built RESTful APIs and integrated a MySQL database using Spring Data JPA for efficient data management and seamless frontend-backend communication.

Job Portal | *Java, Spring Boot, Hibernate, JPA, MySQL, HTML, CSS, JavaScript, REST API* **2026**

- Developed a full-stack Job Portal using HTML, CSS, JavaScript, Spring Boot, and MySQL.
- Implemented secure user authentication with separate Admin and Candidate dashboards for role-based access.
- Enabled recruiters to post, edit, and delete jobs, review applications, download resumes, and update application status.
- Developed features that enable candidates to search and filter job listings, upload resumes, submit applications seamlessly, and monitor the status of their applications in real time.
- Built RESTful APIs and integrated a MySQL database using Spring Data JPA for efficient data management and seamless frontend-backend communication.

Education

University of Visvesvaraya College of Engineering **Oct 2023 – 2027**

B.Tech in Electronics and Communication Engineering (CGPA: 9.42)

Bengaluru

Bapuji Independent PU College

2023

PCMB - Karnataka State Board (97.80%)

Badagandi

Bapuji International School

2021

CBSE (94.60%)

Badagandi

Trainings & Certifications

- Infosys Training (Summer Internship I)** – Focused On Problem Solving, Communication, Presentation Skills and Leadership.
- Samsung Innovation Campus (SIC)** – Completed Certified Coding & Programming Certification .
- Campus Champ (Summer Internship II)** – Covered coding fundamentals ,Data Structure and Algorithm and aptitude Training conducted in UVCE.
- learnTube Online Course (Conducted by FFE)** – Java and Fundamentals of Computer course.
- Coursera Online Course (Conducted by FFE)** – completed Spring Boot and Data Structures & Algorithms course.
- FLY Program** – learnt about Consciousness, Initiative, Innovation, and Confidence.
